Pair Programming

T3Rookies Summer Camp 2016

Advantages

- Increased code quality and significant reduction of defects
- Better diffusion of knowledge and transfer of skills
- Easier team-building and communication
- Improved resiliency of a pair to interruptions
- Higher satisfaction and confidence in the code

Pattern: Driver-Navigator

Driver	Navigator
<p>Focused on <i>tactics</i></p> <p>clean code</p> <p>code compiles and runs</p> <p>automated tests pass</p>	<p>Focused on <i>strategy</i></p> <p>how to design</p> <p>what to test</p> <p>what to refactor</p>

Pattern: Ping-Pong

Ping	Pong
write test	
	make test pass write another test
make test pass write another test	
...	make test pass ...
